

Schijndel, 21 June, 2017

To whom it may concern,

Hereby we declare that our organic fertilizers **FERTIPLUS LIQUID 3-2-7** and **FERTIPLUS LIQUID 5-2-4** are free of the presence of herbicides above detection level, measured by certified laboratories.

Raw materials are being checked on the presence of herbicides before they are being mixed in the final products.

In the Netherlands, our type of liquid fertilizers are so called "B" fertilizers, and permitted for use in Organic farming by SKAL. Further, above mentioned products comply with European Community Regulations EEC 834/2007 and 889/2008 on organic farming inputs and are certified for this purpose by Control Union Certifications under registration no. CU 800837.

Sincerely,

FERM O FEED B.V.
